

# PRESCHOOL HALF DAY CLASS

Half Day Hours:

AM 9:00-11:30

Our half day class focuses on the growth and development of the whole child. Children learn through play and exploration and will participate in learning opportunities to enhance their physical, emotional, academic, and social skills. Children will have opportunities to improve their reading and writing readiness, math and problem solving skills, scientific curiosity, and art exploration. Our curriculum aligns with the Illinois Early Learning and Development Standards.

## Schedule

- Arrival/ Table Time
- Circle Time
- Snack
- Recess – Outside Time
- Enrichment (Spanish, Art, or Music)
- Center Time

With a small class size, children make new friends and grow into a family quickly. Students enjoy learning, playing, and exploring in center choices including art, blocks, dramatic play, sensory tables, games and puzzles, science, literacy and writing areas. Favorite times of the day include story time, exploring our playground all year long, singing songs, making learning inquires, helping their friends, and interacting with teachers in small groups, individual and whole group learning.

## Preschool Fun!

- Field Trips – We love going to the Fire Station, Rader's Farm, Bloomington Center of Performing Arts, Rising Stars, Miller Park, and Discovery Museum.
- Thematic Learning that is led by student's interests and curiosity
- Parents share their talents for cooking, Pilates, reading, and are important members of our classroom family.
